**Friday 25<sup>th</sup> July, 2014**

### **APUA UTILITY RELIEF PROGRAM UPDATE**

The Antigua Public Utilities Authority wishes to inform all applicants of the Utility Relief Program that applications are still being processed. Reconnection/reinstallation may take as long as one month depending on the state of the customer's equipment. The Authority asks that customers bear this in mind before initiating contact.

The Authority would like to thank all consumers for their patience during this exercise.
